Reports Analyst
Federal Elections Commission
Washington, D.C.

Dear Mr. Horton,

As per our conversation on May 10, 2000, here is the information that you requested.

This letter is to clearly state that the FEC Identification number sent along with the FEC report For 1-1-00 to 3-31-00 was not the correct number for the Friends For Jim McDermott Committee.

The number on the report was C00239061. This was in error. The correct number is C00223073. You informed me of this fact on 5-10-00 and recommended that I send in this letter along with a corrected statement of organization. The name on the report was correct, Friends For Jim McDermott, but the number was for Friends of Jim McDermott which is no longer active.

Enclosed is an amended Form 1 statement of organization as well as a copy of a refund check for Heather Foley in the amount of \$1,000 which you also informed me should be sent along to document said refund.

In your letter dated April 25, you informed the Friends For Jim McDermott committee that "Schedule A of your report discloses contributions from political committees but fails to include the full and/or recognizable name."

I will be sending in an amended report to include the missing information, but wanted to clear up the ID number and refund check issue without delay.

I am the new treasurer and am just beginning to work with the FEC. It is my pleasure to work with the commission and I will do my best to comply in the most timely fashion possible. I appreciate the time that you spent with me on the phone to explain what needed to be done and I look forward to working with you in the future to ensure that we are in full compliance.

Thank you for your time. Please do not hesitate to call me anytime at 206 691-9759 (H) or 206-281-7788 (W) if there is anything that I can do to facilitate correct reporting.

Respectfully,

Michael Steele
